

# NEW .140 VANDAL RESISTANT ANTI-GRAFFITI STREET & STOP SIGNS

Meet the 2012 Federal Highway Regulation

- Inexpensive
- Incredibly Strong
- Vandal Resistant
- Dent & Scratch Resistant
- Stops Aluminum Theft
- Graffiti Wipes Off →

## Stop replacing the same signs every year.

The department of transportation and Owen Corning glass has engineered a fiberglass sign panel that was tested for over 10 years in every climate before it was approved for traffic signs. The newest vandal resistant versions are available for trial programs from **AMERICAN FIBER TECHNOLOGY, 1-800-883-8363**

500 BOSTWICK AVENUE | BRIDGEPORT CT 06605 | Fax: 203-336-0322
